

Space hosts / Team Admins

All space hosts within hub.transition-space.org are automatically assigned the team admin role in Mattermost, empowering them to establish channels within their respective teams.

If you desire a Mattermost space to complement an existing hub.transition-space.org space, please submit your request to the [Platform Stewarding group](#).

As a Space host or Team admin in Mattermost, you have the authority to:

1. Create channels within your team.
2. Establish groups within your team.

If you need to remove an individual from a Mattermost team, the procedure is to remove them from the Humhub Space. This action will automatically delete their membership from the corresponding Mattermost team, ensuring seamless management of team memberships.
