# Introduction

We are currently uncultured. This will improve soon.

# About these services

The digital services referred to collectively as 'the platform' are maintained by the Platform Stewarding group

The platform stewarding group has a remit to:

**“To identify or develop and then activate and test a prototype platform and/or a set of online tools which will support Transitioners working at the international scale to connect and collaborate.”**

We meet weekly.

We manage the finances through [Open Collective](#)
