

Calendar export to Google calendar

The screenshot shows a web application interface with a top navigation bar containing icons for MY SPACES, DASHBOARD, PEOPLE, MEMBERS MAP, SPACES, CALENDAR (highlighted), MESSAGES, HELP, and CHAT. On the right, there are search, notification, and email icons, and a user profile picture.

The main content area features a calendar for September 2022. At the top left, there are filter sections: 'Select calendars' with checkboxes for 'My profile', 'My spaces', 'Followed spaces', and 'Followed users'; 'Filter events' with checkboxes for 'I'm attending' and 'My events'; and 'Filter by types' with a 'Select...' dropdown. To the right of these filters are download and settings icons.

The calendar grid shows dates from 29 to 18. Two events are visible on Wednesday, September 14th: '15:30 Creating an ITC space' and '16 Update test'.
